

# A1 Assessor

## Overview:

New innovative approaches towards supporting S/NVQ Dental Nurses accessing professional registration has resulted in the need for highly skilled and motivated qualified dental care professionals to train as dental assessors. A dental assessor makes a valuable contribution towards assessing the clinical competence of staff within the workplace. As part of continuous professional development, an Assessor can progress towards becoming an internal verifier.

## Objectives:

The A1 Assessor focuses on further developing the skills of a dental care professional and provides support to S/NVQ Dental Nurses.

## Who Should Attend:

Qualified Dental Care Professionals committed to supporting and developing the confidence and competence of S/NVQ Dental Nurses accessing the General Dental Council register.

## Duration:

30 hours over 10 weeks - day release

## Outline:

- Assessment using a range of methods.
- Planning for assessment.
- Assessment decisions.
- Feedback on assessment decisions
- Quality assurance.
