

Anti-Discriminatory Practice

Aims and Objectives:

To encourage practice that is non-discriminatory and takes account of the diverse needs of service users

Learning Outcomes:

Following this study day the health care worker will:

- Have taken time to examine their personal values in relation to discrimination of certain groups
- Be aware of the UK legislation surrounding discrimination
- Begun to examine variations in care delivery depending on the diverse needs of individuals

Target group:

Health and Social care workers who wish to develop their understanding of the above

Duration:

Half day
