

Equality, Diversity and Resident's Rights

Aims and Objectives:

To encourage practice that is non-discriminatory and takes account of the rights of the resident

Learning Outcomes:

Following this study day the health care worker will:

- Have taken time to examine their personal values in relation to discrimination of certain groups
- Be aware of the UK legislation surrounding equality diversity and discrimination
- Have an understanding of human rights and examine the concept of resident's rights
- Begun to examine variations in care delivery depending on the diverse needs of individuals based on assessment of needs

Target Group:

Health and Social care workers who wish to develop their understanding of the above

Duration:

One day
