

# First Aid at Work - Requalification

## **Aims and Objectives:**

To update the skills for people who need to renew their statutory first aid certificate.

## **Learning Outcomes:**

Following this study day the person will:

- Have revised the complete first aid syllabus as found in the four day first aid at work course
- Be updated on any changes in protocols or procedures
- Be successful in the first aid assessment on completion of the course

## **Target Group:**

This course is designed for those first aiders wishing to update their statutory 'three year' certificate and whose certificate is still valid

## **Duration:**

Two days
