

# Access to Registration for Dental Nurses

## Overview:

To support dental practitioners who employ staff that are eligible to access the General Dental Council (GDC) register via the 'grand parenting' clause. This programme has been approved by the GDC and is the only recognised approved course in Scotland.

## Objectives:

To enable experienced dental nurses, who are not qualified to provide certification that they meet the criteria to be registered with the GDC.

## Who should attend:

Non qualified dental nurses eligible to access the General Dental Council (GDC) register via the 'grand parenting' clause.

## Duration:

3 days - day-release

## Outline:

- Infection control
- Radiography
- Health and safety
- CPR and medical emergencies
- Personal development planning
- Continuous professional development
- Reflective learning and communication skills.
