

Certificate in Health Promotion - Level 2

Aims and Objectives:

To meet the needs of individuals who require the fundamental knowledge and skills in health promotion.

The level 2 Certificate will support individuals, businesses and workplaces planning to achieve SHAW health promotion awards. It will also support career progression within the public health and dentistry professions.

Learning Outcomes:

- Health promotion
- Oral health promotion
- General health and well being (optional and will require additional hours)

Target Group:

This course is accessible to anyone with an interest in oral health and health promotion

Duration:

10 weeks - evening class
